Scavenger hunt

A scavenger hunt is easy to do and a fun way for children explore your picnic site safely – whether that's in your own garden or out and about. These last around 15 minutes. You can do:

- A nature hunt, for things you're likely to find outdoors such as a pebble, daisy, seed, leaf, or feathers.
- A rainbow hunt, where you find an object for each colour (red, orange, yellow, green, blue, indigo and violet).
- An alphabet hunt where you seek something that begins with each letter of a word.

Checklist

- Scavenger hunt list
- Ground rules
- Something to write with and something to collect items in or something to take photos of their finds
- A little treat as a prize (or just the pride of winning).
