

## AFFILIATION APPLICATION FORM

The Educational Grants Advisory Service (EGAS) offers a range of services providing information on funding for those studying in post-16 education in England. EGAS specialises in funding from charitable trusts and maintains a database of trusts and charities that assist students. We also administer over 30 educational trusts ourselves, giving small grants to students who study at institutions that are affiliated to our service.

Affiliation runs from 1st September to 31st August each year at a cost of £325. To become an affiliate print off and complete this application form.
