About Our Services

Outreach Services

Our outreach project offers a variety of services and activities to meet the needs of each family.

Home Visiting

Through home visiting we aim to share fun and stimulating play activities to encourage children's learning, and to make it easier for children who will be attending our childcare programme to settle in.

We can also signpost parents to a variety of different services that can support them and their child. These include:

- Counselling
- Family support
- Parenting courses
- Employment and training advice
- Specialist health services.

What We Offer

Crèche Facilities

At the Children's Centre we provide part-time childcare sessions for children aged 6 months and up.

Our sessions run for two and a half hours each weekday, morning and afternoon.

During the sessions children are encouraged to make independent choices through play and other activities. A healthy snack will be offered and drinks are available throughout.

Activities include:

- Outdoor Play
- Celebrating special events and holidays
- Cookery
- Arts and crafts activities
- Local trips, and lots more

For the cost of this service and for further information please contact us on 0161 205 7402.

Family Action Manchester also offers other services at the Children's Centre and in the local area.
