Who Are We?

The Choice Advice Service is managed by Family Action, a national charity which provides practical, emotional and financial support to individuals and families.

At the Choice Advice Service we provide advice, information and practical support to parents.

We are part of the Rochdale Parent Partnership that offers support and advice to parents of children with special educational needs.

About Our Services

The Choice Advice Service is a new service for parents who are applying for a school place for their child/children.

The Choice Advice Service will aim to make sure you have a full understanding of all the information available.

Parents will find the service particularly useful for children in years 5 and 6 of primary school who are moving on to secondary school.

What Do We Do?

We can help by providing information on:

- Finding schools in your area
- When and how to register your child for school
- How the admissions system works, and what the admission criteria mean
- Assistance in completing forms
- Applying to schools outside the borough

The service will not make a decision for you or give direct advice, nor can a Choice Adviser recommend or guarantee a place at any school.

You can contact the Choice Adviser during our office hours on Tuesdays, Wednesdays or Thursdays on 0161 643 3138.

Please leave a message on the answer phone with your contact details and we will get back to you.
