

Dressed Down and Ready to Learn

We hope you find our assembly pack useful and it will help everyone at your school to be **Ready to Learn Every Day!** We are also hoping it will also inspire you to organise a dress down day in support of Family Action.

Dressed Down and Ready to Learn aims to celebrate everything that is important about families. Families come in all shapes and sizes and your dress down day is about giving everyone the freedom to demonstrate what 'family' means to them. We're sure you are experts in holding dress down days but, just in case, here are a few simple steps.

- Step 1:** Agree a date, check it doesn't clash with any other big activities and get permission from all the relevant people
- Step 2:** Agree how much the voluntary contribution per pupil could be to take part (we suggest £1)
- Step 3:** Put up posters around school to let everyone know what's happening
- Step 4:** Nominate a responsible person from each class to collect donation
- Step 5:** Remind everyone the week before...and again the day before
- Step 6:** DRESS DOWN AND HAVE FUN...and don't forget to collect everyone's money
- Step 7:** Collect up all the money and pay it in. You can send a cheque, made payable to **Family Action**, together with our Donation Return Form to: Family Action, 501-505 Kingland Road, Dalston, London E8 4AU or ask someone to make a payment online at www.justgiving.com/naht
- Step 8:** Sit back, feel very proud and wait for your thank you certificate to arrive!
