

## **Charity Family Action raises money for the longer term needs of the victims of the Grenfell Tower fire**

Through people's incredible generosity, the immediate needs of families and individuals involved in the devastating fire at Grenfell Tower are being met. However, those affected by the fire will need ongoing help and support to re-establish their homes and rebuild their lives. Family support charity, Family Action, is raising money for these longer term needs and we would like to give our heartfelt thanks to everyone who has donated money so far to our appeal for their amazing kindness and desire to help.

Family Action has nearly 150 years' experience of supporting vulnerable people, transforming lives by providing practical, emotional and financial support. We will be using our extensive experience to ensure that the money we have raised is used quickly and efficiently to support those affected by the fire in the difficult weeks and months ahead. Our Grants programmes help those most in need including providing funds for the basics in setting up a new home which many of those who survived the fire will need to do in the coming weeks having lost all their possessions. In addition, we know that affected people will also need support with their emotional and mental wellbeing after such a shocking experience and we are therefore also exploring other ways in which we may be able to help people in the longer term.

We are beginning to plan robust processes to ensure the money we have raised is used in the most effective and efficient way and we will adapt our plans as the needs of those affected become clearer.

We will be working closely with the relevant authorities to ensure our support is targeted and impactful and best meets the needs of those affected.

If people would like to donate to our appeal please visit our JustGiving page at [www.justgiving.com/campaigns/charity/familyaction/grenfell](http://www.justgiving.com/campaigns/charity/familyaction/grenfell) The more we raise the more we can achieve for those affected by the fire.
