Special open day to welcome local community to Birchtree Pre-School, Dogsthorpe

The family support charity Family Action welcomed families, both new and old, to a special open day at Birchtree Pre-School in Dogsthorpe on September 4th.

The charity took over the running of the Pre-School in July after being approached earlier in the year as the previous manager was retiring. Family Action is very pleased that the team of staff who were already in place at Birchtree are continuing to work at the Pre-School.

Representatives from the local school and churches, together with retired manager, Pat Franks, joined the families to meet staff and enjoy a tour of the facilities and activities available for the children attending the nursery.

Karen Hornsby, Early Years Manager for Family Action in Peterborough said:

"It was great to have the opportunity to show families and members of the local community around Birchtree Pre-School. Guests were very complimentary about both the new learning environment and the warm welcome they received from the staff. Family Action and the nursery staff are looking forward to welcoming and working with the children as the new school year begins."
