Our Training and Consultancy

Family Action provides high-quality training and consultancy services for a wide range of organisations – local authorities, the NHS, schools/academies, early years settings, adoption and fostering agencies, charities and commercial enterprises.

Our open workshops, in-house training and consultancy draw on Family Action’s extensive experience of delivering programmes and services to support children and families across the country. This ensures that our training and consultancy is always based on real-world experience, reflects the latest research, and is grounded in best practice.

Open Workshops

Family Action delivers a variety of open workshops to support professionals working in sectors as varied as adoption and fostering, adult mental health and wellbeing, and children and families.

Forthcoming workshops include: Mental Health First Aid (Standard/Youth); Strengthening Special Guardianship Assessments; Dynamic and Interactive Assessments in Family Placements; and Strengthening Wellbeing and Professional Resilience.

In-house Training for Your Organisation

Family Action can deliver a wide range of workshops in-house within your organisation on a day and at a time that suits you and your staff – offering convenience, cost-effectiveness and flexibility. We can also tailor our workshops to meet the needs of your staff and their continuing professional development.

Bespoke Consultancy Services

Our expert consultants will work with you to:

- review your service and identify the needs of your organisation and of the target participants
- design a training programme, service or intervention to meet your organisation’s bespoke aims and objectives
- deliver and evaluate the agreed training, service or intervention.

Please phone 020 3640 2303 or email tandc@family-action.org.uk to discuss your organisation’s individual requirements.
