**Our target settings are looking to develop their knowledge and understanding of a wide range of conditions and impairments in order to support their children and families more effectively.**

### Support and information

Settings have been signposted to a wide range of charities and other organisations that offer information, resources, training and advice about:

- cerebral palsy
- cystic fibrosis
- Down's Syndrome
- visual impairments
- speech and language difficulties
- dyslexia
- autism
- hearing impairments ...

They have also been encouraged to:

- look into the different training courses and events that such organisations run across England
- browse the useful links on the Learning Exchange website and Facebook page.
