**Hackney WellFamily Plus Service, City and Hackney**

**£29,953 to £32,526 per annum inclusive of Inner London Weighting**

Family Action's Hackney WellFamily Plus Service has been providing practical, emotional, finance support to families experiencing mental health issues since 1996. The service is funded by City & Hackney CCG and is based within primary care, based in City & Hackney GP Practices. Referrals are mainly received from GP's, though can come from other primary care professionals and the service provides holistic psychosocial assessments and up to 8 follow up sessions supporting families address a range of practical and emotional needs that otherwise would increase pressure on primary care appointments.

We are recruiting for a Senior WellFamily Plus Worker with temporary, additional funding received to meet the demand for the service until the 31<sup>st</sup> March 2020.

You will have excellent writing and consultation skills, and experience of providing empowering support to adults and families in a planned and structured way to improve mental health, recovery and well-being outcomes. You will undertake holistic assessments and co-design Health and Well-being plans with individual service users and provide time-limited, evidence based, outcome focussed support across an allocated group of GP practices, to ensure maximum engagement in improving mental health and well-being.

You will also have a confident and professional approach working with a variety and diverse range of stakeholders, and be experienced in working independently for significant periods across the working week. Alongside our high quality, reflective casework and line management supervision you will also participate in regular group clinical supervision alongside other Senior WellFamily Plus Workers and our experienced clinical supervisor.

**We are forward looking, ambitious and with a commitment to continuous improvement. We are a people focused, can-do organisation that strives for excellence in all we do and operates with mutual respect. If you share these values and behaviours and have the necessary skills then we look forward to hearing from you.**
