

## **Finding Out About Support**

## **Near You**

You can find out what support there is near you by looking at the **Local Offer**. This is the name of a **web page** or written information, like a leaflet. It is written by your **local authority**, which might be called '**the council**'.

The Local Offer is for:

- Disabled children and young people
- Children and young people with **special** educational needs. Special educational needs are when you need extra help to learn things.
- Families of those children and young people

The Local Offer must give you **informatio**n about the **support** that you should be able to get in your area.

The Local Offer must have information about:

Harrow SENDIAS- Family Action, Cedars Hall, Chicheley Road, Harrow Weald, HA3 6QH Tel: 020 8428 6487 www.family-action.org.uk/harrowsendias

- Schools, colleges or training
- Special health support
- Hobbies or fun activities
- Support for becoming an adult
- Transport

The local authority must ask you what it should put in the Local Offer. You can tell your local authority **what you think** about it. They must show everyone what people have said and explain how they are going to **make it better**.

Your Local Offer is on your **local authority website**. If you cannot get on the website then they should give you **written information**, like a leaflet.
