Family Action transforms lives by providing practical, emotional and financial support to those who are experiencing poverty, disadvantage and social isolation across the country. We have been building stronger families since 1869, and today work with over 45,000 families through over 135 community-based services. To deliver this work, we need to increase our voluntary income across a range of funding streams.

This post will focus primarily on Trusts, Government and National Lottery grants income, which makes up a significant part of our voluntary income (over £3 million in 2018/19). This role will lead on sustaining and growing income from these sources, with a particular focus on large, multi-year grants of £100k or more.

You are an experienced Trusts/Statutory/Big Lottery Fundraiser with a proven track record of writing excellent applications and securing significant income (grants of 100k+). You have excellent bid-writing skills, and are able to transform project ideas into compelling, fundable proposals. To do this you are confident working with operational colleagues at all levels to develop project ideas. You are comfortable working at pace on bids of all sizes, working to strict deadlines and are driven by fundraising targets. You will also have excellent grant management skills and have a track record of building strong relationships with funders.

This is an exciting opportunity for a successful fundraiser who wants to take their experience to the next level. You will be part of our small, highly-motivated team in our London Head Office, fundraising for a wide-range of innovative and exciting projects supporting some of the most vulnerable families across England.

Family Action are forward looking and ambitious, with a commitment to continuous improvement. We are a people focused, can-do organisation that strives for excellence in all we do and operates with mutual respect. If you share these values and behaviours and have the necessary skills then we look forward to hearing from you.

If you can relate to these and have the necessary skills and attitude we can offer you:

- The opportunity to become part of Family Action initiatives
- Flexible working hours
