We are seeking an experienced senior fundraiser to contribute to the development of our public facing funding streams, with a particular focus on developing our individual giving (including legacies, regular giving, cash giving, major donors) and events/community income.

This is an exciting time at Family Action as we start to implement recommendations from a significant review of our digital systems and as we seek to move forwards to grow and develop public facing fundraising streams.

We expect to drive forward a range of initiatives to grow unrestricted and restricted income and you will lead on a number of these with the support of your line manager and a Fundraiser, who you will line manage.

You will therefore be an experienced, flexible and creative fundraiser, with a track record of meeting financial targets, and comfortable with a varied workload, including project management and delivery.

You will be values-driven, target focused, pragmatic and enjoy the challenges of working within an excellent and busy fundraising team and a highly dynamic organisation.

Our Values:

A people focus, Mutual Respect, Excellence in all we do and a Can Do attitude.

If you can relate to these and have the necessary skills and attitude we can offer you:-

- A competitive salary, leave entitlement and pension scheme
- Career development opportunities
- A full induction and on going quality training
- The opportunity to become part of FA initiatives
- Flexible working hours
- Managed work loads with regular supportive and reflective supervision

We are forward looking, ambitious and with a commitment to continuous improvement. We are a people focused, can-do organisation that strives for excellence in all we do and operates with mutual respect. If you share these values and behaviours and have the necessary skills then we look forward to hearing from you.
