Children's Centres & Adoption Services

Family Action provides services that help meet people's fundamental needs. To help us monitor and improve our service, we like to know when we do things right and where you think we can improve.

We want to hear from you if you are pleased with how we have helped, if you are unhappy with our service, or if you simply want to make a comment.

Your comments help us quickly improve our support to you and other people. We do this as informally as possible. We listen carefully and try to agree solutions directly with you.

You do not need to make a comment or complaint in writing. You can speak to someone at your local service in person or over the phone or you can call the Complaints Manager. We can arrange for the details of your comments to be written down and we will ensure that you are happy with the wording before your comments are passed on.

If you have a complaint, the local service manager will attempt to resolve this with you, in line with our organisational complaints policy. The Complaints Manager monitors each complaints process to make sure it follows our policies.

If the complaint cannot be resolved at a local level, more senior managers will attempt to resolve it with you. If you are unhappy with the process of your complaint, you can contact the Complaints Manager at any time.
