

Fun & games Bingo

Why not plan some games for your picnic? It's a great way to have some fun and keep all your friends and family entertained.

Who doesn't love bingo - it's a fun game the whole family can play together. You could even do a 'picnic' themed version!

- ▼ Email each player their bingo card before the game
- ▼ Decide who your bingo caller will be
- ▼ Print two copies of the callers card – cut one copy up and fold the squares in half and put them in a hat so you can pull them out one by one and read them
- ▼ When you have called the number/word you can tick it off on the second copy of the callers card
- ▼ You can use the second copy to check if a player has the winning card during a game.
