### Our Aims

The Food On Our Doorstep (FOOD) programme aims to:

- Provide regular access to a sustainable supply of food to people at risk of food insecurity
- Encourage families to access local support services and be signposted to other agencies
- Increase disposable income for local families to improve life chances and wellbeing
- Reduce the amount of food being sent to landfill in the UK by utilising surplus food

### Where We Work

Family Action runs FOOD clubs in different areas of the country (see opposite).

### Our Approach

We provide families with good-quality food at a low cost, while also reducing food waste.

Food On Our Doorstep is a membership scheme. It costs just £1 a year for a family to become a member.

Once they have joined, they can purchase a bag of tasty food items every week worth approx. £10 to £15 for just £3.50!

To become a member a family must live or work within 15 minutes of a FOOD club.

### Our Impact

From the feedback we receive, we know our clubs make a huge difference to members.

People tell us Food On Our Doorstep has changed their lives massively and that they couldn't live without it.

As well as being financially better off, our members say they eat more healthily, as the food they receive challenges them to try new foods.

## How to get involved
