

Senior Practitioner, Families Together, Leeds

37 hours per week

Grade 3 (upper): £30,447- £33,735 per annum

Temporary maternity cover contract (secondment considered)

Family Action delivers the Families Together Leeds 0-19 Family Support Service across the city of Leeds. The service provides bespoke family support services using evidence-based approaches to improve outcomes for children, young people and their families. Families Together Leeds includes family support, group support and volunteer support elements within the service; we work with families in an engaging way, enabling families to achieve their goals as part of multi-agency statutory and early help plans, embracing the vision for one family, one lead worker and one plan.

You will join a team of three Senior Practitioners who each have supervisory responsibility for a sub-team of Family Support Workers and a Group Facilitator, with your location based in the south of the city. You will also hold a small caseload of more complex family support work and will be expected to integrate all elements of our service to achieve best outcomes for families. You will share a commitment to embedding a one-team approach to providing operational oversight, ensuring casework is outcome-focused in response to need. You will provide a deputising role in the absence of the Service Manager when necessary. You will demonstrate a strong commitment to the Leeds Practice Model and will ensure the key elements of the model, Re-Think Formulation, Leeds Practice Principles and Outcome-Focused Supervision are embedded into all aspects of service delivery.

Our Values:

People focus, Mutual Respect, Excellence-in-all-we do and a Can-Do attitude.

If you can relate to these and have the necessary skills and attitude we can offer you:

- A competitive salary, leave entitlement and pension scheme
- Career development opportunities
- A full induction and on going quality training
- The opportunity to become part of Family Action initiatives
- Flexible working hours
- Managed work loads with regular supportive and reflective supervision
