Permanent Contract

At Family Action we transform lives by providing practical, emotional and financial support to those who are experiencing poverty, disadvantage and social isolation. We have been building stronger families since 1869 and today we work with more than 60,000 families in over 150 community based services, as well as supporting thousands more through national programmes and grants.

We are seeking an experienced fundraiser to work with the Supporter Development Manager to develop and implement our public facing fundraising strategy, with a particular focus on individual giving including digital recruitment, legacies, regular giving, cash giving and major donors.

This is an exciting time at Family Action as we have recently implemented recommendations from a significant review of our digital systems and as now move forwards to grow and develop public facing fundraising streams.

We expect to drive forward a range of initiatives to grow unrestricted and restricted income and you will lead on a number of these with the support of your line manager. You will therefore be a flexible and creative fundraiser, with a track record of meeting financial targets, and comfortable with a varied workload, including project management and delivery.

You will be values-driven, pragmatic and enjoy the challenges of working within an excellent and busy fundraising team and a highly dynamic organisation.

Family Action welcomes applications from all sections of the community. We are committed to Equality, Diversity & Inclusion in all that we do and know that greater diversity will lead to even greater results for families and children.

What will we offer you?

We'll offer you flexible working hours, a generous pension scheme and leave entitlements, eye care vouchers, a cycle to work scheme and other great benefits. We have an excellent wellbeing offer and we'll invest in your professional development with on-going quality training and career development opportunities. You'll join an established, supportive and high-performing service and have the opportunity to thrive in an innovative, non-hierarchical organisation that values your opinion, encourages learning and has the needs of children and families at its core.

We are forward looking, ambitious and committed to continuous improvement. We are a **people focused, can-do** organisation, which strives for **excellence** in all we do and operates with **mutual respect**. If you share these values and behaviours and have the necessary skills then we look forward to hearing from you.
