

Lincolnshire BOSS Social Stories Training

Building
stronger
families

What are social stories?

Social stories are a strategy used with children to support the development of their understanding of situations, requests and expectations.

Social stories can also be used to revisit positive activities, behaviours and give praise.

Aim

To introduce staff to social stories as a strategy to support children in school.

Learning Outcomes

By the end of the training session participants will be able to:

- Describe what a social story is, when we might use one and why they can be useful to support children
- Write a social story, with the opportunity to have a go at creating one
