At Family Action we transform lives by providing practical, emotional and financial support to those who are experiencing poverty, disadvantage and social isolation. We have been building stronger families since 1869 and today we work with more than 60,000 families in over 150 community based services, as well as supporting thousands more through national programmes and grants.

We are looking for a motivated, passionate and experienced individual with an impressive track record of delivering high quality 1 to 1 and group services to meet the needs of local communities. You will strive for excellent standards, robustly ensuring a quality, outcomes-driven and accessible service.

### **Your impact**

You will share and embrace Cumbria's vision of 'A great place to grow up and for children and young people to have the opportunity to become everything they want to be', by:

- Assisting the Child and Family Support Workers to provide appropriate practical and emotional support to children, young people and their families, through a mixed programme of home visiting, support groups and structured learning sessions delivered within local centres, family homes and the wider community
- Using restorative practice, which will embed a strengths-based approach, engaging and enabling children, young people and families to achieve their goals at an early stage of need, responsible for Level's one and two of a three-tier delivery model approach (Levels 1-3: Getting advice, getting help, getting more help)

### **Your skills**

You will have a Level 3 Qualification in childcare/child development, health & social care, counselling or other related professional qualification and demonstrable experience of working with children, young people and their families including delivery of group work.

You will have good assessment skills, with the ability to produce effective outcome- focused plans and ability to evidence impact and outcomes from 1:1 and group work.

You will have an excellent understanding of the impact of discrimination and social exclusion on the lives of children and families and how this can be addressed through service provision as well as employment and volunteering opportunities.

The post will involve working across the Copeland locality. You must have access to a vehicle for business purposes and be able to travel frequently, with the expectation you will work collaboratively with Family Action & key delivery partners across the locality.
