At Family Action we transform lives by providing practical, emotional and financial support to those who are experiencing poverty, disadvantage and social isolation. We have been building stronger families since 1869 and today we work with more than 60,000 families in over 150 community-based services, as well as supporting thousands more through national programmes and grants.

The Family Action FOOD (Food on Our Doorstep) programme aims to:

- Provide regular access to a sustainable supply of food to people at risk of food insecurity
- Encourage families to access local support services and be signposted to other agencies
- Increase disposable income for local families to improve life chances and wellbeing
- Reduce the amount of food being sent to landfill in the UK by utilising surplus food

The FOOD Club Coordinator will support all aspects of the day-to-day running of the clubs to ensure we offer our members a high-quality service.

You will have previous experience in either retail, health & safety, environmental health and education. Previous experience of working with families is desirable.

You will have an enthusiasm for delivering high-quality customer service and have a clear understanding of food hygiene standards and procedures.

You will have the skills to lead and motivate a team to deliver to targets and will be passionate about supporting members of the community to access low-cost, high-quality food.

The coordinator will have supervisory oversight, in partnership with the regional manager and national FOOD Club manager, including budget monitoring, stock control, recruitment of staff and volunteers, induction and training, supervision and appraisal.

You will also collate data to report on KPIs, including uptake of the clubs, service user income, and positive financial impact on families.
