Was it the chocolate pudding?
Sandra Levins and Bryan Langdo

A story about divorce in a typical family, with age-appropriate explanations with childlike innocence and humour, this book explains divorce from a kid's point of view.

What are Parents?
Kyme FoxbyLee

Playfully rhyming words and beautifully illustrated pictures lead a child through a journey to discovering diversity while learning to accept their unique family. The book teaches children that there are all types of families in this world and what makes a parent is someone who loves, teaches, sings, laughs and is devoted to their child.

Love is a Family
Roma Downey-

Lily storms home to her mother one day, demanding a real family. She's positive they are the weirdest family. Her single parent mum doesn't seem overly fazed, reminding her daughter that they are a "small kind" of family, but real nonetheless

Mum and Dad split up
Elizabeth O'Loughlin and Kayleigh Adams

The simple story of a family splitting up is told from a child's point of view and illustrated by a child, letting young readers know they are not alone. Designed for adults and children to read together, or for older children to read by themselves, the book acknowledges children's distress and encourages children to find their own way of coping with the trauma and upheaval life has thrown at them.

Two Homes'
Claire Masurel

Alex has two front doors, two bedrooms and two very different favourite chairs. He has a toothbrush at Mummy's and a toothbrush at Daddy's. But whether Alex is with Mummy or Daddy, one thing stays the same: Alex is loved by them both by always. This portrayal of the life of a child whose parents are divorced is full of warmth, comfort and affection.

Goodnight Daddy
Angela Seward

This is a realistic portrayal of a little girl's love for her absent father and her disappointment at being "stood up" by him. Her mother helps her realize that she can cope with being disappointed by someone she loves and move ahead with her life.

The Very Special Dolphin
Caterina Hughes

Join Ralphie's discovery as he learns how to cope with having parents who have separated.

Angry Arthur
Hiawyn Oram, Satoshi
Kitamura

A brilliantly illustrated book about a small boy's escalating rage when he is told that it's too late to watch television. His anger mounts and mounts, culminating in a 'universequake'! At the end of the story, Arthur can't remember why he was so angry in the first place. Good for opening up chats about feeling angry.

Goodbye Daddy
Brigitte Weninger

Tom is feeling sad after one of his father's regular visits. So Teddy tells Tom a story of a little bear in a similar situation. Father and Mother Bear live apart, although Father Bear often comes to visit. A useful book for discussing separation with young children

The Saddest King
Chris Wormell

The king has decreed that everyone must be happy, so the people smile all day long, even when bad things happen. One day, a small boy is found crying, so he is sent to the king to be punished. As the boy tells the king the reason for his sadness – his dog has died – the king begins to sob, and his smiling face is found to be a mask.

Thanks to the boy, the king realises it's all right to be sad sometimes, and revokes his decree, at which point everyone has a good cry!

The Visitors Who Came to Stay
Annalena McAfee

Katy lives a quiet life by the sea with her dad, occasionally visiting her mum at weekends. Then one day, Dad brings home a friend and her son, and their loud and colourful ways totally disrupt her peaceful world. In time, it gradually dawns on her that these visitors are going to stay for good – because the woman is her dad's new partner.

Books for 10 + year olds

Suitcase Kid
Jacqueline Wilson

This book deals very sensitively and humorously with divorce and how to cope with having two homes.

Distraught at her parents' divorce, Andy cannot decide who she wants to live with. She spends one week at Mum's house, the next at Dad's, but never really feels that she belongs anywhere. This difficult situation, which is worsened by animosity between Andy and her new stepfamilies, has no simple solution. Approached with humour and understanding, this is a very readable tale of

confusion, guilt and ultimately optimism, with which many children (and adults) will identify.

The Worry Website
Jacqueline Wilson

The Worry Website is Mr Speed the class teacher's idea of a place for his pupils to write their worries down anonymously and then get help with solving them from their peers. Linking the worries of seven children in the book through short stories, from divorced parents to living with a disability, and from feeling useless at school to nightmares at home.

My parents are divorced
Florence Cadier,
Melissa Daly and Claire Gandini

Practical and calming advice for any preteen or teen whose family is splitting up. The book includes sections on tension at home, being in the middle, visitation, what to expect at court, learning not to blame yourself, and much more.

Thanks to the boy, the king realises it's all right to be sad sometimes, and revokes his decree, at which point everyone has a good cry!

Books for teenagers

Step by wicked step
Anne Fine

Anne Fine does not shy away from the fact that separation and divorce are painful, but she does have an uplifting message about the power of honesty and compromise. 11-14.

Booked
Kwame Alexander

From fast-paced football matches to school and family drama, this novel written in verse has something for everyone and will grip reluctant readers from page one. From 12-16.

	<p><u>Blame My Brain: the Amazing Teenage Brain Revealed</u> Nicola Morgan</p>	<p>During the teenage years the brain is undergoing its most radical and fundamental change since the age of two. This carefully researched, accessible and humorous examination of the ups and downs of the teenage brain has chapters dealing with powerful emotions, the need for more sleep, the urge to take risks, the difference between genders and the reasons behind addiction or depression.</p>
