At Family Action we transform lives by providing practical, emotional and financial support to those who are experiencing poverty, disadvantage and social isolation. We have been building stronger families since 1869 and today we work with more than 60,000 families in over 150 community-based services, as well as supporting thousands more through national programmes and grants.

The Family Action FOOD (Food On Our Doorstep) programme aims to:

- provide regular access to a sustainable supply of food to people at risk of food insecurity
- encourage families to access local support services and be signposted to other agencies
- increase disposable income for local families to improve life chances and wellbeing
- reduce the amount of food being sent to landfill in the UK by utilising surplus food

FOOD Club Support Worker will support all aspects of the day-to-day running of the programme, to ensure the clubs have high standards of service delivery.

You will have previous experience in at least one of the following environments: retail, health & safety, environmental health, education and/or previous work with families.

You will have an enthusiasm for delivering high quality customer service and have a clear understanding of food hygiene standards and procedures.

We are committed to Equality, Diversity & Inclusion in all that we do and welcome applications from all sections of the community. We particularly welcome applications from Black, Asian and minority ethnic candidates, LGBTQIA+ candidates and candidates with disabilities because we are committed to increasing the representation of these groups at Family Action.
