The role and service / project

We are looking for a motivated, passionate, and experienced WellFamily Practitioner with an impressive record of accomplishment of delivering high quality 1 to 1 services to meet the needs of service users from a Primary care setting. You will strive for excellent standards, robustly ensuring a quality, outcomes driven and accessible service. This is a short-term intervention model – offering up to six sessions. It is a well-established model in City and Hackney and embedded within the 42 GP practices across the borough.

Collaborating with health professionals and promoting co-production with service users, you will provide 1:1 personalised support to individuals and identify wider issues that impact health and wellbeing. With a client-facing approach you will be passionate about engaging our service users in all aspects of our work including co-production. We want to hire a 'can-do' and energetic Wellbeing Plus Practitioner at a senior level who will build and sustain positive working relationships with key stakeholders while developing partnerships that will continue to evolve and effectively meet the needs of everyone the service supports.
